Prof. A. A. Kazi

CHAIRMAN, CARF

Fmr. Dean of the
Faculty of Arts,
University of Bombay,
Mumbai, India

Dear Friends,

The Foundation's mission is to fight against cancer and provide financial as well as medical assistance to poor cancer patients, apart from spreading awareness of cancer, its causes, prevention and cure. It is our vision that no poor cancer patient will go untreated for want of financial support.

'TOTAL CANCERCARE' the basic principle enshrined in our Foundation's Logo has been our guiding factor to plan and execute various activities with a view to helping poor cancer patients. It includes:

- Funding and services for cancer treatment including Surgery, Radiotherapy and Chemotherapy
- Cancer Research
- Cancer Education through CARF News Bulletins and Patients information leaflets.
- Cancer screening and Detection Programmes.
- Anti-Tobacco and Cancer Advocacy.
- Free Ambulance service provided to patients all over Mumbai/ Thane Dist.
- Counselling for cancer patients/their families and cancer hotline.
- Providing Rehabilitation Assistance to poor cancer patients.
- Distribution of Anti-cancer drugs to poor and needy patients.

During the short span of 10 years since inception, the Foundation has achieved the enviable record of having helped 4983 poor cancer patients in 674 hospitals to the extent of Rs. 9,89,03,563/-. This mammoth task has been accomplished with the cooperation of all our donors, well-wishers and staff of the Foundation.

Nevertheless, we do not want to be complacent and rest on past laurels. In fact we have set an even more ambitious target for ourselves in the forthcoming year, when we would complete a decade of service to humanity in the field of 'Total Cancercare'. I look forward to your wholehearted co-operation in this humanitarian endeavour.

Best Wishes

A handwritten signature in black ink, appearing to read 'A.A. Kazi', written over a horizontal line.

Prof. A.A. Kazi
Chairman

SPREADING AWARENESS OF CANCER LITERATURES

2

Cancer is a dreaded disease, but the fear often arises out of ignorance and misceptions rather than any reality. CARF in its endeavour to create public awareness about cancer and how it can be prevented, prints and distributes free CARF News Bulletin, a quarterly news letter and many cancer information leaflets and posters.

CARF is helping the mankind through its Cancer Awareness Camps, Films, seminars and events in different parts of Mumbai.

For arranging these medical camps and humanitarian activities we have developed different types of brochures, leaflets, quarterly CARF news bulletin, awareness films which help them to gain knowledge about the evil effect of killer disease, the causes, cure & prevention methods.

From time to time we print all these material as per our requirement. This year we have distributed lakhs of copies of different cancer leaflets & brochures, stickers & posters. The details are as follows :-

CARF Literature	Quantity distributed
Posters	500
Bulletin	4 Lakh
Stickers	10,000
Leaflets	5 Lakh

We are doing this with a view to achieve the ultimate objective of prevention as well as total eradication of this dreadful disease from the world.

3

SPREADING AWARENESS OF CANCER SCREENING

With a View to bringing about awareness regarding the dreaded disease of cancer and also to make the young generation aware about the ill effects of tobacco and gutka (chewing tobacco) consumption, the Foundation conducts cancer awareness programme in schools, colleges and in various institutions periodically. As part of the awareness programme we conduct a series of activities including

- Screening of cancer films to schools, colleges and institutions
- Distribution of cancer leaflets to public
- Display of posters
- Distribution of Anti Smoking stickers

Apart from the screening the cancer film in the schools we also spread awareness through the medical camps on Anti Tobacco Day. We have done various awareness camp for many organizations who approach us.

Screening of Cancer Awareness films in Schools :

Sr. No.	Year	No. of Schools
1	April 2004 – March 2005	38
2	April 2005 – March 2006	21
3	April 2006 – March 2007	37
4	April 2007 – March 2008	16
5	April 2008 – March 2009	36
6	April 2009- March 2010	47
7	April 2010 - March 2011	35

Our activities in this area include :

- Spreading awareness about cancer disease and initiating steps for early cancer detection.
- Screen Cancer films in schools, colleges and other establishments to spread awareness of cancer causing habits like smoking, chewing tobacco and drinking.
- Providing free counseling to cancer patients and their family members at CARF and cancer hotline tel.no. for further information on cancer.

List of cancer films which are shown in Schools/Colleges as per the selection by the Principals

Sr.No.	Name of the Films	Language	Duration
1.	Breast Cancer Part- I	English	55 Minutes
	Breast Cancer Part-II	English	26 Minutes
2.	Cancer of the Prostate	English	34 Minutes

MEDICAL CAMPS

COUNSELLING AND ARRANGING MEDICAL CAMPS

Early diagnosis and timely treatment is the best option in fighting this global and ever increasing threat to human life – CANCER

1) SCREENING AND DETECTION CAMPS -

We at Cancer Aid and Research Foundation screening and detection through regular camps help the very poor and needy people to have an opportunity to understand and at the same time be screened for cancer. The suspected cases are then guided to the concerned specialists to be treated as fast as possible.

2) COUNSELLING –

Approximately 50 patients per day are counselled. Counselling is done free of cost to all the patients who walk in for our help, Not only the patients, their whole family also counselled as cancer affects the family as a unit.

Dr. Asra I Kazi is incharge of counselling centre.

3) QUIT TOBACCO -

We have also started the “Quit Tobacco” clinic where we help people who are using tobacco in any form to help them quit the deadly habit .They are helped through regular counseling literature and Nicotine Replacement Therapy free of cost.4 patients are undergoing this program.

4) FINANCIAL REHABILITATION -

We have undertaken the financial rehabilitation of patients and /or their relatives in form of allocating jobs so that they have the financial stability to continue a respectable life.

- 4 Patients financially helped.
- 6 Patients medically rehabilitated. 15 Voice Prosthesis have been given to cancer patients

5) CANCER SURVIVORS -

We have also started a cancer survivors unit where patients who have won against the disease help the ones in their ongoing battle and their story with turn inspire many who have just started their fight against cancer. Cancer survivors unit under CARF are as follows:

- Leukemia - 58
- Breast Cancer - 78
- Oral Cancer - 68

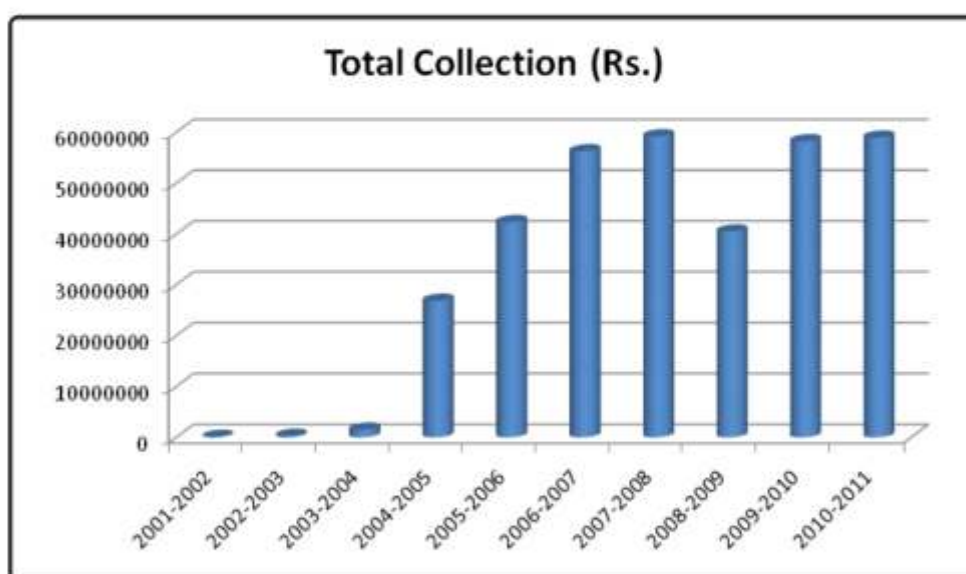

TOTAL COLLECTION

6

In a short span of 10 years, **Cancer Aid & Research Foundation** has emerged as a leading medical NGO. The Total Collection of the Foundation since inception is Rs. 344,156,060/- (upto 31st March 2011). The year wise collection details are as follows :

YEAR	Total Collection (Rs.)
2001 - 2002	60,303
2002-2003	277,794
2003 - 2004	1,513,820
2004- 2005	26,848,318
2005 - 2006	42,325,824
2006 - 2007	56,269,943
2007 - 2008	59,211,650
2008 - 2009	40,467,322
2009 - 2010	58,226,418
2010-2011	58,954,668
TOTAL	344,156,060

FINANCIAL & MEDICAL HELP TO CANCER PATIENTS

Though cancer is a dreaded disease, technological advances in modern medical science has made it possible to treat and even cure the patients especially if it is detected in the initial stages. The chances of the patient's recovery are even brighter in case of children.

However, the major hurdle for cancer treatment is the high costs involved in radiotherapy, chemotherapy and other modern techniques used for treating cancer. True to its mission, CARF has been in the forefront in extending financial and medical help to poor and needy cancer patients.

The Foundation's vision is that no poor cancer patient goes untreated for the lack of financial support. Since its inception in 2001, CARF has helped around 5000 poor cancer patients in over 674 hospitals all over India to get treated. The following table gives an idea of the financial help given by CARF to poor cancer patients during the last nine years:

Sr. No.	Year	Amount Disbursed (Rs.)	No. of Patients	No. of Hospitals
1	2001-2002	17,500	5	1
2	2002-2003	129,916	29	7
3	2003-2004	1,134,526	83	23
4	2004-2005	4,255,293	342	42
5	2005-2006	8,112,800	546	74
6	2006-2007	14,116,794	665	92
7	2007-2008	25,694,756	1077	109
8	2008-2009	15,791,123	800	105
9	2009-2010	14,630,699	698	103
10	2010-2011	1,50,20,156	738	118
	TOTAL	9,89,03,563	4983	674

Master Salman

Master Salman is 12 years old from Vikhroli (E). He stays there with his parents. His father is a butcher by profession and works in a meat shop. He is studying in class 4th. Around a year ago he started suffering from fever. His parents initially got him treated from a local doctor but there was no improvement in his health. Suddenly he started vomiting and felt suffocated. He wasn't able to swallow food and so he was referred to a child specialist who in turn diagnosed him with cancer. The doctor advised them to approach Tata or Wadia Hospital immediately as his condition was deteriorating. He was admitted in ICU of Wadia Hospital and operated for the same. His parents approached CARF for help. We helped him by providing free Chemotherapy and other medical help. CARF also gifted him a cricket bat on his birthday. Master Salman has recovered a lot and presently pursuing his studies.

Master Debaditya

Master Debaditya is 8 years old. He started complaining of leg pain and fever after taking medicines from a local doctor. More complications started appearing, so his parents consulted another doctor, who diagnosed a tumor. He was taken to Chennai where he was diagnosed with Sarcoma Bone Cancer. Chemotherapy was given to him and he showed signs of recovery, but his parents were not able to bear the expenses and so he was taken to Tata Hospital for treatment. His parents approached CARF for help. CARF provided financial help for his treatment & also gave counselling to his family to decrease their difficulties. Now he has completely recovered & regularly attending school.

The successful culmination of the unfortunate journey of these cancer patients proves the sincere and dedicated endeavor of our Foundation.

Up holding its vision that no cancer patient should go untreated for lack of financial support or access to medical facilities **CARF** held **"Art for Living 2011"** a seven day exhibition and sale of Painting & Sculptures in March at Coomarswamy Hall, Chhatrapati Shivaji Vastu Sangrahalaya, Kala Ghoda, Mumbai.

We at CARF thank Mr. & Mrs. Sajid Nadiadwala, Trustee CARF, Mr. Suresh Shetty, Minister of Public Health, Mr. Narendra Varma, President NCP, Mumbai, Ms. Zarine Khan, Actor, Mr. Sajid Khan, Film Director, Mrs. Sangita Ahir, Chairperson, Sankalp Prathishthan, Col. Manesh Masand, CEO, Jaslok Hospital for their presence at the inauguration of the exhibition.

All proceeds from this exhibition will go towards the welfare of the poor cancer patients.

Annual Celebration of CARF Foundation Day

Cancer Aid & Research Foundation organizes a grand function to celebrate Foundation Day on 20th June every year. This year we completed a decade of services for the poor needy cancer patients. Dr. Rehan Kazi (Secretary General) and other noted dignitaries presided the function followed by a grand musical extravaganza by Mr. Ahsaan Qureshi a noted stand up comedian. A special Postal Cover was also released on this occasion.

This event is the benchmark of the foundation for completing each year successfully in the mission to help poor & needy Cancer patients.

Annual CARF Oration Day

The **Cancer Aid & Research Foundation** conducts this function every year for selecting a medical luminary and world famous oncologist who has carried out a 3- dimensional extensive research in science and religions with holistic approach towards cancer. The selected oncologist is then cordially invited to participate in the oration day function and delivers the special oration which will enlighten and enrich the celebrates in the field of cancer. Synopsis of this oration presented in the function will be treated as the valuable contribution in the field of cancer.

EVENTS

FLIGHT OF FANTASY

CARF gave young Cancer patients wings on Children's, in collaboration with Jet Airways. For most of the children who were part of this event, this was their first time ever on a plane.

Funny man Cyrus Broacha who was present at the event made the ride even more memorable by his humour and his antics.

Donation Box

Charity Table

Charity Sale

We are a non profit organization depending on generous donations to meet the needs of all the poor cancer patients who come to us for help. Thus the fund raising department makes a substantial contribution in this direction. In the charity sale, we put forth T-shirts, wrist bans, key-chains, caps for sale. One of the ways we raise money effortlessly is by distributing and maintaining donation boxes at various places. All the proceeds collected from various fund raising events go towards helping the cancer patients. It is through the selfless hard work of our officers that we are able to fulfill our cherished dream of helping these unfortunate cancer patients in order to kindle a ray of hope and boost their morale. By the grace of god we have spread the area of our noble work to Thane in the eastern suburbs, Mahim in the western suburbs and Nerul at Navi Mumbai where collection offices have been opened to facilitate approaching the prospective donors and well wishers. The entire work is done with full enthusiasm so as to get maximum utilization of the resources available for the benefit of poor cancer patients. Through our fundraising programme efforts, we have been able not only to provide medical help but monetary help also as they are compelled to come from near and far on account of unavoidable circumstances. This has only been possible due to the generous contribution of our donors. We hope to carry on this noble work in future with the same interest and enthusiasm.

EVENTS

CHARITY SHOW

A special screening of the film **Anjana Anjaani** was held at PVR Cinema, Juhu on Oct 1, 2010. The proceeds of this charity show went towards the good cause of assisting needy cancer patients.

CARF is full of gratitude towards Sajid Nadiadwala and CA. Uttam Prakash Agarwal for making this charity show possible. The presence of **Priyanka Chopra** and **Ranbir Kapoor** at the show was the highlight. It really lifted the spirits of the children afflicted by cancer, who were very happy to see the stars. Priyanka and Ranbir mingled with the children, most spontaneously.

BIRTHDAY PARTY FOR CANCER PATIENTS

Sajid Nadiadwala, Trustee CARF, brought cheers and smiles on the faces of young cancer patients by celebrating his birthday with them at the Foundation. A magic show and many goodies handpicked by Warda Nadiadwala made the evening even more joyous and memorable for the children.

ERP, DESPATCH & SAP

CARF has been constantly striving to improve its operations by using the most modern technological tools available. CARF has the distinction of being one of the few NGOs with an **ISO 9000:2008 Quality Certification**. Apart from this, we have also leveraged modern technology to improve the working of our various departments as follows:

- Systematic organized channelization each dept through computerized systematic LAN setup.
- Recognizes necessary network improvements and makes suggestions.
- Reduce Network congestion. Network/Internet access speed has improved.
- Assists in the planning and implementation of additions, deletions and major modifications to the supporting infrastructure of Hardware & software tools.
- Coordinates the resolution of all dept help desk activities.
- Proper usage/functioning of available resource of CARF .
- Tracing & resolving the problem in Software/Hardware/Internet/Network in each dept.
- Manages Microsoft Windows OS /Office/Antivirus software licenses.
- Helping decide, in conjunction, which software and hardware products and other equipment are most suited for use within CARF.

ERP & Despatch : Currently we are using a customized ERP software package for keeping records of donors & well wishers and maintaining the same up-to-date for facilitating the day to day activities of the Foundation including despatch schedule as follows:

- Sending invitation of functions.
- Mailing quarterly news bulletins.
- Mailing patients appeal/donation request.
- Sending birthday greetings.
- Condolence messages.
- Mailing Annual Reports & Souvenir.
- Mailing CARF Calendars, etc.
- Sending Appeals, Bulletins, Invitations through email.

SAP Project : IT department had implemented SAP in CARF

Benefits of SAP :

- Capturing the transactions in One Location & allows us to easily reviews of Inventory, Donors & Patients activity.
- Visibility of data/accounts/Reports/MIS for better control
- Multiple Reports on SAP Systems.
- To improve CARF functioning in a systematic & Centralized efficient organized way.
- Ensure access to precise up-to-the-minute information.
- Provide end to end visibility
- To deliver quickly access to accurate, relevant and complete CARF activity information from desktop with Centralized systems in a secured manner.
- To manage process activity for greater efficiency & effectiveness for reporting comparative analysis to take right decision .
- Simplified administration capabilities that streamline CARF operat activity & maintenance & significantly lower on going cost.
- Ensure speedy solutions through reduced modification of \Donor & patient master detail information required for analysis reporting & sending document by email.
