A portrait of Late Prof. A. A. Kazi, a middle-aged man with glasses, wearing a grey suit, white shirt, and patterned tie. He is smiling and looking slightly to the right. The portrait is set against a light, textured background and is framed by ornate, dark brown decorative corner pieces in the top-left and top-right corners.

Late Prof. A. A Kazi

Founder of Cancer Aid & Research Foundation (CARF) (1934 - 2016)

*Time flies fast; moving at its own pace, But the great actions performed by a great man,
with his exemplary acts; Always set the standards in the world to pursue ahead.
For those we cherish in life are never really gone, they walk beside us every day,
guiding us on. We will always carry your learnings ahead with us
And your memory will stay strong with all the CARFIANS.*

*From ,
The Desk of Chairperson Emeritus*

Dear Friends,

“Greetings from Cancer Aid & Research Foundation(CARF)!

Believing in the philosophy that the best way to give to our country is by serving for mankind. By providing the healthcare to the underprivileged population, taking care of their needs at the worst phases of life, watching their dreams turn into reality on their joyful faces gives us the true immense pleasure and a feeling of great achievement.

With the support of our dedicated team and well-wishers, we have achieved a lot till date, but our mission will not be complete till the time we see all faces around us smiling and ensure that nobody loses the courage to fight the adversities of life.

CARF was the dream of our late Prof. Kazi for helping the deprived population in the field of cancer care. We are proud to say that we have achieved our goal and hope to reach more distant journey. I thank and appreciate every person supporting CARF with their relentless hard efforts and for standing with us always in all circumstances. We have started with you and without you there is no CARF."

Mrs. Rashida Kazi, Chairperson Emeritus

*From ,
The Desk of Chairman*

Dear Friends,

"With the pandemic of Covid-19 changing the way we interact and work, it has been a challenging year for all of us and this has been an integral to our transformation these past times has allowed us to adapt and pivot seamlessly to the new normal.

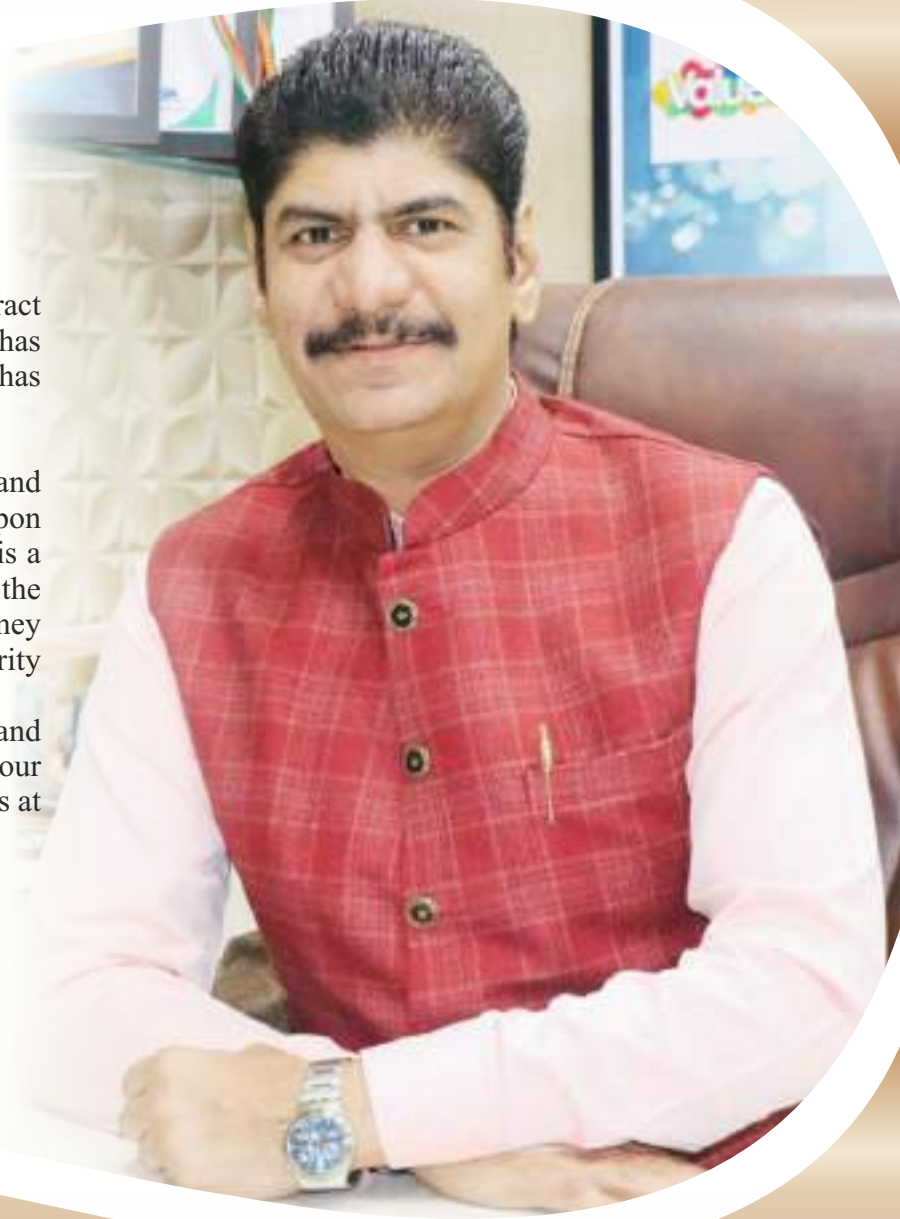

Good health is a prerequisite to human productivity and development process. A healthy population is the main tool upon which an economically viable country can be built. CARF is a blend in passionately striving hard to serve the best to all the deprived cancer patients over the past 2 decades and this journey will be carried ahead by us together with full dedication, sincerity and honesty.

We feel the deepest pleasure and gratitude for the support and encouragements that we get from many people that make our every hard task reach the excellence to setting high standards at our mission."

Mr. Shamshi Z. Mulla

Chairman

*From ,
The Desk of Chief Executive Officer*

“

Dear Friends,

A year of extreme volatilities and geopolitical dynamics has tested the resilience, strength and staunch perseverance of all of us with the challenging circumstances of the pandemic of Covid-19. And once again, CARF has overcome every challenge, leveraged every opportunity and remained steadfast in all its endeavors. We have been always passionately working hard to support the cancer affected people from the weaker economic groups. With our dedicated team work, it was possible for us to successfully help many needy cancer patients to live without pain and with peace till their journey ends. I am happy to present to you the Annual Report for the year 2021-22. The unprecedented circumstances of Covid-19, has affected all of us and our way of living. With the encouragement and support from our donors, staff members and volunteers, it was possible for CARF to come up and play the leading role by extending support to countless people, who approached us for help.

This incredible work was possible only because of your strong belief in us that has accelerated progress in all our endeavors.

”

Mrs. Savita Nathani

Chief Executive Officer

INSPIRING THE SOCIETY

MISSION

CARF's mission is to provide Financial & Medical services to the poor & needy cancer patients of our society. When our patients approach us for help, our team does whatever it takes to make them feel comfortable as we would do it for a member of our own family. Our core values are:

- ✦ To serve Humanity without discrimination of caste, colour or creed.
- ✦ Towards moving forward with our sincere dedication and hard work for the welfare of the poor cancer patients. Impart psychological & counseling assistance to patients in dealing with Cancer during treatment & post treatment.
- ✦ Render our services to all the poor & needy cancer patients whoever come to us with a lot of hope by wiping their tears in every way that we can help.
- ✦ To leave no stone unturned in educating the “Youth of Today” about the ill effects of consuming tobacco in all forms by screening documentary films based on cancer in Hindi & English language in schools & colleges, organising lectures by eminent doctors on how early detection of cancer can save one's life. “We are the leading NGO for cancer patients from all over. Our main motive is to reach globally, and never restrict with our services (medical as well as financial) for any cancer patient around india”.

VISION

Our vision at CARF is to reach more number of people suffering from cancer around India. Our main motive is to help them and spread awareness about cancer and helping them out to adapt healthy habits, guide them about proper treatments, helping them to start a new life through different activities/ camps performed by CARF team.

In order to do this, we are focusing on three strategic priorities:

- ✦ Strengthening our network through patient development and education, and ensuring the financial sustainability through Newspaper appeals, Charity Sales, etc.
- ✦ Expanding our reach by both creating and growing existing programs – including Payroll giving
- ✦ Mobilising support to increase the understanding of what causes cancer and benefits if proper care is taken in time, thereby allowing us to support cancer affected patients & families in our community. We want you to volunteer in being a part of our foundation for this noble cause. CARF invites all the enthusiastic people of all ages who have all the courage & energy to serve their community selflessly. Our Nation has provided us with everything what we always wished and wanted, now it's your time to help in making this place a Cancer free world. Let us join CARF to be **“UNITED AGAINST CANCER”**

INSPIRING THE SOCIETY

Counseling

What is counseling?

Counseling is the professional guidance of the individual by utilizing psychological methods especially in collecting case history data, using various techniques of the personal interview, and testing interests and aptitudes.

How CARF helps through counseling?

Individuals have several reactions to cancer. A person may experience fear, show strong reactions to changes to their body, or feel anxiety at the thought of treatment. Some individuals become very angry, or find it tough to cope with a feeling of loss of control. People may experience lot of stress about having to deal with side effects of treatment, like fatigue, pain or sickness. CARF helps these patients overcome these issues and face life with vigour and strength. The main role of CARF is to create an environment for the cancer patients so that they lead a life of complete positivity and motivation.

Counseling being an important part of CARF base activity was always conducted regularly over the years. With the Covid -19 restrictions, patients were unable to come for counseling sessions at CARF office. To continue this noble deed, CARF conducted counseling for cancer patients and their relatives remotely via calls. This had its own merits and de merits, but CARF has overcome it and ensured a proper support in times of need.

I Care I Share

As per the famous phrase 'Charity begins at home,' All the staff of CARF voluntarily decided to contribute a part of their monthly salary for the wellbeing of cancer patients. I Care I Share is a scheme that enables employees to give to a charity straight from their gross salary (before tax is deducted). It is a flexible scheme for tax payer as well as non tax payer to give regularly for a good cause. I Care I share (also known as 'Payroll Giving') is a valuable and an act of regular donation directly from employee's pay.

LIVE DOCTOR SESSIONS

CARF is proud and believes in doing unique activities in a unique manner every time for the well-being of human care. Doctor's talk is one such activity that has impacted the cancer patients and their relatives in the fight against cancer. Therefore, as usual this year too, we arranged the different live sessions with the doctors on different topics such as Bone marrow transplant in cancer, Oral cancer, men's mental health issues and Breast cancer- myths & facts. This live doctor session was conducted via CARF facebook page and promoted through all social media channels. Our initiative was tremendously supported by wide range of audiences, who could utilize it by watching the live video streaming. The doctors explained their respective topic in a simple manner so that even the general public could understand about the topics. All these doctor's live talk sessions were actively participated by many people. Also, the sessions have been very informative and beneficial in resolving the queries of many people who attended this online.

CORPORATE SOCIAL RESPONSIBILITY

Corporate Social Responsibility (CSR) is a management concept whereby companies integrate social and environmental concerns in their business operations and interactions with their stakeholders. The evolution of CSR refers to changes over time of the cultural norms of corporations' engagement of CSR, with CSR referring to way that businesses are managed to bring about an overall positive impact on the communities, cultures, societies and environments in which they operate. It can also make a valuable impact on poverty reduction; contribute to the sustainable growth and development of the society and environment. In this way, it will also enhance the positive business reputation, strengthen brand, increased sales and customer loyalty, operational costs savings, better financial performance, greater ability to attract talent and retain staff.

During the FY 2021-22, Cancer Aid & Research Foundation (CARF) has utilized the CSR funds on providing financial support to countless cancer patients, different healthcare campaigns and hunger eradication programmes. A growing number of corporates feel that CSR is not just another form of indirect expense but is important for protecting the goodwill and reputation, defending attacks and increasing business competitiveness. During the year 2020-21, with the financial support from the organizations such as M/s. Nadiadwala Grandson Ent. P. Ltd, M/s. Almonard Private Ltd & Dr. Khan Industrial Consultants Pvt. Ltd, it was possible for CARF to change the lives of many needy cancer and other diseased people. Therefore, we request many more corporate companies to get associated with us by supporting us through CSR fund, as this can bring a great impact to our collective purpose of saving many lives and helping the needy diseased people.

CSR PARTNERS

CORPORATE SOCIAL RESPONSIBILITY

Csr Project Undertaken By Carf

Corporate Social Responsibility is a management concept whereby companies integrate social and environmental concerns in their business operations and interactions with their stakeholders. CSR is generally understood as being the way through which a company achieves a balance of economic, environmental and social imperatives, while at the same time addressing the expectations of shareholders and stakeholders. In this sense it is important to draw a distinction between CSR, which can be a strategic business management concept, and charity, sponsorships or philanthropy. Even though the latter can also make a valuable contribution to poverty reduction, will directly enhance the reputation of a company and strengthen its brand, the concept of CSR clearly goes beyond that. During the FY 2021-22, CARF has utilised the majority of CSR funds on healthcare and hunger eradication. With the supporting funds from the organisations that includes Nadiadwala Grandson Ent. P. Ltd, Itco Industries Limited, Adapty Solutions Private Ltd., Tribhovandas Bhimji Zaveri Ltd., Allure Gift Wraps Pvt. Ltd. CARF could play a great role in the lives of many needy people, details of which are stated below:

CARF'S DEPARTMENTS

Human Resources & Admin (HRA)

CARF has an excellent HR department team for efficient problem solving within the foundation. The HR department undertakes the responsibility for recruitment, promotion, developing and maintaining employee welfare benefits and schemes, enforcing and implementing personal policies post treatment.

Patient Service Department (PSD)

The Patient Services Department is responsible for the provision of nursing care to patients and for the coordination and enhancement of communication between the multiple health care disciplines involved in providing patient care. PSD department is closely involved with all the tasks related to the cancer patient's improvement, progress and outcome.

Accounts & Finance Department

The Accounts and Finance Department has been always efficient in not only to streamline the organizational operations, but also for other objectives, such as meeting regulatory standards and building external goodwill for CARF and for all CARF patients.

Publications & Publicity (PPD)

The department of Publication and Publicity is entitled for publication programmes related to the cancer patients. Publication & Publicity department handles cancer patients with all kinds of appeals to deliver to the donors through the post or via emails.

CARF'S DEPARTMENTS

Charity Sale & Rehabilitation Department

Cancer treatment, your physical therapists may help you design an individualized exercise program that combines range-of-motion training with light resistance exercises. Rehab department is responsible for teaching and helping them to get back on their feet. Our rehab team also helps them getting back to work, helping them to deal with stress, also help how to stay positive in life through various activities that take place at CRC is our only mission.

ERP Department

ERP (enterprise resource planning) is an IT system that helps the organization run important processes, such as financials of all the donors properly. ERP dept. basically handles all donors' details; they also deal with sending invitations of events, news bulletin, season greetings, birthday letters etc.

IT Department

The Department of Information Technology is responsible for coordinating the development, integration and enhancement of any organization. Information technology department of CARF is an essential part of our organization. Whether you need computers for storage, transfer, retrieval or transmission of information, you can manage your organization with greater accuracy and efficiency with the assistance of IT. CARF website is a platform for all donors, patients, as well as well-wishers of CARF to get detailed information.

Despatch Department

Dispatch department is responsible for delivering every CARF article published for every cancer patient. The entire process is carried out through remotely franking system.

MOMENTS THAT MADE A DIFFERENCE

Foundation Day

Cheque distribution on occasion of Foundation Day

As usual, every year CARF celebrates the foundation day. Our 21st foundation day was celebrated on 20th June 2021, by organizing several events and activities. Even though it was not possible to conduct major events due to the situations of the ongoing pandemic of Covid-19, still we could organize in our possible limits, considering all the safety protocols. As there was a complete lockdown during the months of April and May 2021, many cancer patients could not get helped on time for their treatment. So CARF organized a cheque distribution programme followed by food distribution for all the cancer patients at Vikhroli Office on this day.

World Rose Day

World rose day is celebrated annually world over on 22nd September every year which is in dedication to the cancer patients for their encouragement and support to fight the disease. CARF celebrated the “World Rose Day” on 22nd September’2021, by organizing several activities that included cheques, gifts and roses distribution for bringing cheer and hopes into the lives of all cancer patients. This event was hosted by our Chief Guest – Mr. Sikandar Sayyad, Film Producer, Writer and Director. Mr Shamshi Mulla – Chairman of Cancer Aid and Research Foundation (CARF) also graced this occasion. The event was smoothly organized, following all the safety protocols of the pandemic Covid-19. All our staff members also actively participated this event which has helped us to organize the function in an appropriate manner. The purpose behind organizing this event is supporting the cancer patients and their care givers, in their battle against cancer. We believe that our simple act with compassion and love can bring some comfort to their lives and enhance their strength to fight this harsh disease. has helped us to organize the function in an appropriate manner. The purpose behind organizing this event is supporting the cancer patients and their caregivers, in their battle against cancer. We believe that our simple act with compassion and love can bring some comfort to their lives and enhance their strength to fight this harsh disease.

World Rose Day celebration with Cancer Patients

MOMENTS THAT MADE A DIFFERENCE

Breast Cancer Awareness

The month of October is known as “Breast cancer awareness month” world –over and “World Breast cancer day is celebrated on 22nd October every year. The month is full of campaigns to create awareness among people about breast cancer and its impacts. On 22nd October 2021, CARF also organized several activities to create awareness about breast cancer among the people. The live doctor sessions was conducted through our facebook page on the topic of breast cancer by Dr. Nikhilesh Borkar and also during this entire October month, social awareness about the disease was generated among common public through our several informative social media posts. The prime motive behind this activity is to make people aware that, early detection helps in better understanding of the disease and it also helps in getting the timely treatment with best cure that helps in saving the life of many people suffering with the disease.

World Food Day

Food Distribution at Gadge Maharaj Dharamshala

“World food day “is celebrated annually on 16th October across the world. The main motive behind this event is raising awareness about the factors of hunger and starvation suffered among the poor communities due to poverty. The World Food Day 2021 theme is, “Grow, nourish, sustain together. Our actions are our future”. With an initiative to support this great theme, on this auspicious day of 16th October 2021, CARF celebrated “World food day,” by organizing food distribution for around 500- 600 needy cancer patients at Sant Gadge Maharaj Dharamshala trust. This was a great event in which we got the support from many people, understanding the significance of the global problem of Starvation and hunger. We could successfully arrange this event by distributing nutritious meal for cancer patients residing at Dharamshala in a well- appropriate manner and watching the smile and happiness on their face was a true blessing for us.

MOMENTS THAT MADE A DIFFERENCE

Anti-Tobacco Day

“Anti – Tobacco Day” is celebrated across the world annually on 31st May every year. This day is also known as “No Tobacco day.” The prime motive behind this day is to raise awareness about the harmful effects of tobacco use in health. On this day across the world, several campaigns are conducted to raise the awareness on the harmful and deadly effects of tobacco use. As usual just like every year, on 31st May 2021, CARF also conducted its annual online campaign for a week, to create the awareness among public and highlight the risk associated with the use of tobacco. This activity was supported by many people who actively participated in this event and in making of development kit for generating awareness on same. Also, on this day, CARF organized a food distribution programme for the people staying near Tata, KEM & Wadia hospitals.

Cheque Distribution Programme

CARF has always proved his dedicated efforts in serving the needy cancer patients and others suffering from life threatening diseases. On 25th March, 2021 a cheque distribution programme was organized for all cancer patients at CARF office in Byculla, in which more than 65 cancer patients were distributed cheques for their treatment. Also, all the cancer patients were provided with nutritious meals during this event. This sacred effort by CARF was graced by various dignitaries including Mr. Naeem Dalvi, Mr. Talha Fakhir, Mr. Manoj Gage, Mr. Mohan Valal, Dr. Ravish Hani and many other guests, in the presence of Mr. Shamshi Mulla, Chairman and Mrs. Savita Nathani, CEO, CARF. All dignitaries vowed to support cancer patients and be actively involved in the works of CARF. This event was also supported by M/s. Nadiadwala Grandsons Entertainment Pvt. Ltd

Cheque & Lunch distributed to cancer patients

MOMENTS THAT MADE A DIFFERENCE

Food Distribution with M/s. Peace Foundation

Hunger and poverty are the major problems of our country. Poverty is the root cause of every hungry stomach. With a purpose to eradicate hunger, CARF dedicated its part of role by organizing the food distribution programme on 12th May 2021, in association with M/s. Peace Foundation, Mumbra, for more than 550 people during SEHRI. Also food was distributed to the staffs and workers of the hospital, patients and their relatives at hospital along with door to door food distribution done to the under privileged families.

Food Distribution(Sehri)

Oxygen Cylinders distribution with M/s. Unity Foundation

It was the worst arrival of the second wave of the pandemic Covid -19, which terrifically impacted our country and the whole world with rapid rate of diseased cases. During this period, CARF struggled to its best in supporting the people at their worst times. On 21st May 2021, CARF in association with M/s. Unity and Dignity Foundation (UDF), Malad distributed oxygen cylinders free of cost to the covid affected patients across in need. The increasing record of COVID positive patients and fatalities per day and lack of life-saving equipments were crippling our healthcare infrastructure. At that worst times, CARF strived very hard for supporting our country, with its well-planned team work, which made it possible to organize together several other activities, to help as many people in need.

MOMENTS THAT MADE A DIFFERENCE

Oxygen Cylinders distribution with Kharghar Gurudwara

CARF has been always dedicatedly involved in helping the needy people over the past 2 decades quite successfully. During the outbreak of the second wave of the pandemic Covid-19 in our country, the hospitals were facing a dire urgency for shortage of oxygen cylinders. Despite of the lockdown imposed for the safety of nation, on 27th May 2021, CARF in association with Kharghar Gurudwara and their team, has been striving hard with relentless efforts in record time to distribute oxygen cylinders for the people thriving for breathe. Together with our mutual team efforts, it was possible to meet the requirement of oxygen cylinders to the patients in need on right time and save many lives. Also, we could organize together several other activities timely, to help as many people in need.

MOMENTS THAT MADE A DIFFERENCE

Children's Day

Every year on 14th November, Children's day is celebrated in India. This day is a tribute to the birthday of our first Prime Minister, Shri. Jawaharlal Nehru, popularly known as "Chacha Nehru" among the children. After Shri. Jawaharlal Nehru's death, it was decided that India would celebrate Children's Day on November 14 to mark his birth anniversary. This day is a commemorative event for honoring every child. The prime motive behind celebrating this day is to create awareness of the rights, care and education of children. During this occasion, CARF organized a free medical health check up camp "Mission Sahay," on 15.11.21 at Sant Ghadge Maharaj Dharamshala (Dadar). Free ration kits were distributed among the children during this camp. Further, CARF also conducted the online awareness acts through various social media posts on its social networking sites.

On occasion of Children's Day CARF arranged medical health check-up camp along with free Ration Kit Distribution

MOMENTS THAT MADE A DIFFERENCE

World Cancer Day

“World cancer day” takes place every year on 4th February. This day aims to prevent millions of deaths each year by raising awareness and education about cancer, and pressing governments and individuals across the world to take action against the disease. On 4th February 2021, CARF organized a pledge drive called “I Support Cancer patients”, through online video on social websites wherein people from different fields pledged their support for cancer awareness. This campaign was supported by many people and some of the pledges are stated through online video on our Facebook page.

World Cancer Day celebration with Cancer Kids.

IDEAS FOR LIFE

Leukemia & Lymphoma Awareness Month

It's been over the past 10 years world over, September month is followed as the "Blood cancer awareness month". Lymphoma and Leukemia are the most common forms of blood cancers, as many people are losing their lives world over every year to this cancer. The major causes of most of the deaths are lack of awareness and knowledge. CARF has actively participated during this Blood cancer month, in generating awareness about the disease to the common public through its various activities and social media posts. CARF has organized several events like Rose day, world charity day and a live facebook doctor session, which were arranged for the better understanding of Blood cancer and its treatment facilities.

Stoptober

The month of October is known as Stoptober month. Stoptober is the 28 days exciting "Stop smoking challenge" campaign that begins on 1st October during every year, which is showing your involvement in supporting & encouraging each other to quit smoking in return adding more potential years to your life. CARF also organized the Stoptober campaign this year, by conducting online campaigns, live on expert doctor's sessions and also generating awareness through our different social media informative posts, which were of a great help to provide information to the general public along the way. This "Stop smoking challenge" has shown the deep involvement of the countless people by supporting this noble act encouraging each other to quit smoking and to enhance themselves back towards the normal life.

November

The month of November is known as "Movember month" which is commonly popular as "Men's health awareness month and also known as "No Shave Movember." CARF had introduced this Movember movement five years ago to raise awareness of the health issues faced by men majorly prostate cancer and testicular cancer. During this movember month, CARF organized the movember event, in which the male staff members participated by growing their moustache for the whole November month, supported and encouraged by the female staff members of CARF. At the end of the month, CARF announced the winner bearing the title, "Man of Movember 2021", Mr. Vasudev Patil. Also our Chairman – Mr. Shamshi Mulla and Prof. Dr. Rehan Kazi, Chairman Advisory actively participated and supported this Movember event. During this month we also arranged the doctor's live session with an initiative to raise information and awareness about men's mental health awareness, which turned very helpful for many people, who attended this session.

SOCIAL ACTIVITIES

World Yoga Day

The most disciplined method of attaining a goal and a technique to control both body and mind at a time is “Yoga”. It is the combination of an extraordinary spiritual science of self-development and self-realization. The activities involved in it are movement, meditation, and breathing techniques to promote mental and physical well-being. On 23rd June’2021, CARF conducted the activity event of “Yoga day with its staffs in Vikhroli office and the session was guided by Mrs. Sudha Sharma, renowned Yoga trainer. Various Yogasanas were taught to all the staffs, with a prime motive to understand the importance and benefits of yoga practice in our daily life. Also, CARF aim to utilize these skills for the cancer patients and their development.

Yoga Day at CARF

Independence Day

Independence Day celebration

CARF celebrated Independence Day on 15th August, 2021, by promoting the ideology of freedom, through the online social media activities and posts; awareness was generated about the patriotism and the sacrifices behind the joy of freedom. Also, all the CARFIANS wore the ethnic dress code of tri-colour and actively participated in several events organized.

Republic Day

Republic Day celebration

Republic Day is a moment of pride as the entire nation comes together to celebrate the power of complete democracy. It also signifies the essence of equality without any discrimination. CARF also supported this orientation by celebrating Republic day with active participation by organizing several events on this day, with all CARFIANS and also promoted the patriotic ardour of this day through various social media posts on its social network channels.

Christmas & New Year

Every year CARF conducts several events on the occasional day of Christmas and New Year. CARF posted the greetings of good wishes for every one through various social media posts on its social networking sites by well known doctors and famous personalities & CARF staff.

❁ SOCIAL ACTIVITIES ❁

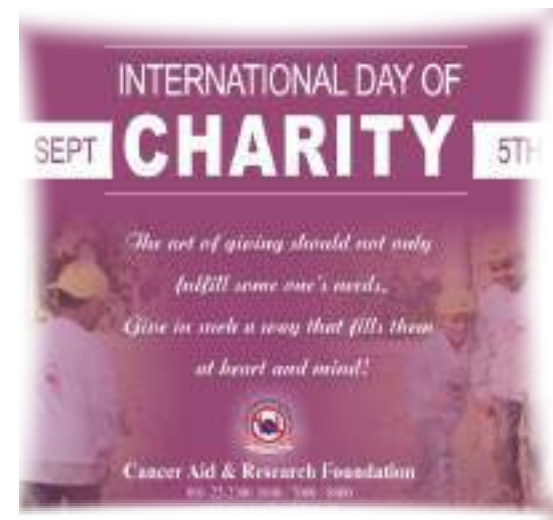

Navratri Campaign Celebration

CARF has been always endlessly striving hard to support the deprived population suffering from cancer and other life-threatening diseased people. Over the past 2 decades of its journey CARF have been doing ,things differently each time for the social welfare. “Navratri” is one of the popular festivals celebrated all over India. So, during these nine auspicious days of Navratri from 7th October to 15th October 2021, CARF organized the sacred effort of food distribution for many poor people, for those deprived people for their two time basic meals a day. This event was a successful one with participation of many poor and hungry stomachs to our utmost satisfaction.

International Day of Charity

The international day of charity is also known as “World Charity day.” This day is celebrated world over on 5th September annually. CARF also supported this great event, which is meant for charity by helping the poor cancer patients and also to spread the importance of this day, awareness was generated through several informative social media posts to the common public to come ahead for supporting the needy and poor people across.

SOCIAL ACTIVITIES

Blood Donation Camp

On 20th October 2021, CARF organized a blood donation camp at CSMT railway station in collaboration with Nair Hospital blood bank, strictly following all the safety protocols of the Covid-19 pandemic. Basic health check up facilities was smoothly arranged for the general public for donating the blood safely. Our purpose behind this event was to generate awareness for donating blood, which can save many lives during critical and emergency need of blood. The camp was also attended by our Chairman - Mr. Shamshi Mulla & CEO - Mrs. Savita Nathani. It was also participated by our staff members, who well- managed this event making it a quite successful one.

SOCIAL ACTIVITIES

Mission Sahay Camps

During the year 2021, CARF effectively conducted several free one day medical health check up camps known as “Mission Sahay” at different locations, which has made tremendous impact on the lives of general public.

Mission Sahay camps at various locations

SOCIAL ACTIVITIES

- ▶ “Mission Sahay-1” was conducted on 05.11.2021 at Ramabai Ambedkar Nagar Colony, Ghatkopar East. Also, being the month celebrated as “Breast cancer awareness month” female hygiene kits were distributed to the female group during this camp.
- ▶ “Mission Sahay -2” was conducted on 15.11.2021 at Sant Ghadge Maharaj Dharamshala (Dadar). Being the occasion of Children’s Day, free ration kits were distributed among the children during this camp.
- ▶ “Mission Sahay -3” was organized on 23.11.2021 at Mission Hospital, at Govandi. Also, during this camp, free men’s hygiene kits were distributed among the male group, as a part of dedication to the “Men’s health awareness month”.
- ▶ “Mission Sahay -4” camp was organized on 30.11.2021 at Limbuni Budhvihar, Panther Nagar and Kannamwar Nagar 1, Vikhroli (E). During this camp, free General Kits were distributed.”
- ▶ “Mission Sahay - 5” was arranged on 07.12.2021 at Bhandup. Free general kits were distributed among the people who attended this camp.
- ▶ “Mission Sahay -6” was organized on 14.12.2021 at Mankhurd, in which free food grain kits were distributed among the people who attended this camp.
- ▶ “Mission Sahay - 7” was termed on 29.12.2021 at Shivaji nagar, Govandi and during this camp Free female hygiene kits were distributed among the female group who attended this camp.

All these camps were successfully hosted by a team of doctors, assistants and CARFIANS along with appropriately arranged health care tools and facilities for facilitating the general health check up with guidance on the general health related issues with proper healthcare measures among the poor. Our chairman – Mr. Shamshi Mulla and CEO-Mrs. Savita Nathani also supported all these camps. Our passionately dedicated efforts in organizing these health camps gave us a tremendous success as it benefited many needy and deserved people.

PATIENT EXPERIENCE

Survivor Story

“I have been undergoing through lots of pain from both body and mind, after my diagnosis revealed of “Prostate cancer.” Also, for treating the same; the suggested treatment cost was beyond my reach, as I had no supporting financial aids. During this terrific phase of life, by god’s grace, I met with CARF and they supported me financially right from start till completion of my treatment plans. Now I visit hospital only for follow ups. I feel grateful and thankful to CARF for saving my life.”

- Mr. Bhikaji Ladu Parkar

It was the toughest battle of my life, being diagnosed of suffering from “Metastatic Breast cancer.” As I hail from the low-income group family, we found it difficult to afford the cost of my treatment and medicines. But without this treatment, it would have been impossible for me to survive. It was only with the generous support from CARF, I completed my treatment successfully. I and my family thank CARF and its team whole-heartedly for all their efforts in gifting me this beautiful life.”

- Ms. Afreen Saquib Khan

PATIENT EXPERIENCE

Survivor Story

MASTER JAY

“It was in the year 2020, our Jay Baba was born. We were so overwhelmed to welcome him in our life. But, unfortunately, it disheartened us, as our son was born with certain complicated infections. Then, after multiple investigations; we were revealed that he is suffering from “Leucocyte Adhesion Deficiency (LAD) type I.” We had no financial aids to provide him with the prescribed treatment plans. It happened only with the support from CARF, our Jay completed his BMT surgery successfully and now we visit hospital for follow-ups. I express my gratitude to thank CARF and its management for gifting my son with healthy life.”

– **Mr. Mulayam Yadav, father of Jay**

BABY YASHWEE

“It was the hardest stage of my life, when my daughter Yashwee was diagnosed of “Acute Lymphoblastic Leukemia (a type of cancer).” The estimated treatment plan was costlier for us to afford. With the financial support from CARF, it was possible for us to complete all her chemotherapy sessions and now we visit hospital only during her follow ups. Currently Yashwee is studying in Std- 9th and doing well in her studies. I am thankful to CARF for all their financial and moral support granted to my daughter during her treatment plans.”

– **Mrs. Rekha Jaiswal, mother of Yashwee**

PATIENT EXPERIENCE

Testimonials

“It was the most struggling phase of our life, when our son was diagnosed of “Thalassemia Major.” With the financial help from CARF, we have completed his BMT surgery. Over a period, he developed certain complications and currently he is hospitalized. CARF is supporting us continuously in all his treatment expenses. I thank CARF and its team for all their support given to us!”

– Mr. MD Hussain, Father of MD Aman

“During 2020, our daughter Rutuja was diagnosed with a type of cancer known as “Acute Lymphoblastic Leukemia”. Hearing this news we were left in the world of pain, as we faced lots of financial crisis to reach her estimated treatment cost. Then we came in contact with CARF, who are still supporting us financially in her monthly chemotherapy cycles. We are thankful to CARF for showing us hope and supporting in all ways.”

– Mr. Mhada Mutkule, Father of Rutuja

PATIENT EXPERIENCE

Testimonials

“The moment my diagnosis revealed of “Oral cancer” I was left shattered and disappointed. Also, I lacked financially to meet my treatment cost. Then, I came in touch with CARF. With their financial support and care, it became possible for me to undergo the surgery and chemotherapy sessions. Now my further treatment plan is awaited, depending on doctor’s advice. I thank CARF and their management for all their support and care.”

– Mr. Dawood Yakoob

"It is an unforgettable day for me that brought the most horrifying news, when my medical tests revealed of “End stage Kidney failure.” While I was struggling with lots of financial constraints to meet my treatment expenses, it was CARF who gave me the courage to face these tough times, by helping me financially and also assured to support ahead during the whole treatment plan. I feel indebted and thankful to CARF for all their generosity and kindness.”

– Ms. Shaikh Sana

HOW CARF INSPIRES YOUNGSTERS

“I am very pleased with my experience at CARF as a volunteer. Their dedicated role in the well-being of cancer patients are worth appreciable. Overall, I had a good experience with them and got to learn many new things about cancer care.”

- Vishwajeet Kamat, Bhavan's College.

“I had a very good time at CARF office and I am truly grateful for getting the volunteering tasks for many activities executed by them. I have been observing their team's politeness, patience and their calm way of approach to the patients with tender loving care, because they really do care.”

- Maryam Shaikh, Maharashtra's College

“In CARF, there is a best and dedicated teamwork which I have seen quite rare around us. I would love to work with them in future activities. Everyone is so friendly and I am very thankful you are in this area to care for us when we need you. The management and staff members were professional and very thorough.”

-Malhar Purohit, Bhavan's College

MEMORIAL GIFT

A Memorial gift is a unique and wonderful way to honour the loving memories of your loved ones. When we lose someone close to us, we experience grief, sadness and ultimately, an appreciation of all memories we have of that special person in our life. Giving in memory of a loved one leaves an ongoing legacy of the difference they have made in the world and it stands as a memorial fund to benefit the needy. By doing this you are creating the treatment options that can help the needy people to overcome from their life threatening diseases. CARF appreciates the compassionate gesture in the form of generous gift from all the families in loving memory of their loved ones. We ensure to utilize such memorial gifts for the treatment and protection of the needy cancer patients and other diseased people. We are passionately dedicated in creating a cancer free nation and the generous gift has helped us to achieve more by helping the under privileged cancer and other diseased patients.

An Appeal from

CANCER AID RESEARCH & FOUNDATION (CARF)

Cancer Aid & Research Foundation (CARF) has marked its imprint since its past long journey of 22 years, by granting timely financial support to the marginalized cancer patients for their treatment. Now, we have grown to a patient friendly foundation with all the support and generosity from existing CSR's, supporters and other donors. Our ultimate goal is to make the cancer care easy and a reality. We are sure with your trust and support we can together build a "Cancer Free Nation."

We understand the fact that an individual being diagnosed with cancer has poor impact on their emotional health including their families & caregivers. During this time they desperately need help, support, and encouragement. Therefore, considering all these factors, CARF not only provides financial assistance for their treatment, but also stands with them by giving them the strong emotional support as that tends them to adjust to the changes that Cancer brings into their lives. We are involved into different activities right from fund raising to holding different events such as Cheque distribution, charity events, food distribution, Doctor's Direct & live sessions, yoga sessions, medical camps, awareness programmes, celebration of different events like - Rose day, World Cancer day, kid's fun events, and also distributing free medicines and different kits like food kits, ration kits, male hygiene kits, female hygiene kits and general kits during different events and medical camps for the needy cancer patients and other diseased people. And, we are heartily thankful to all our donors, well-wishers and CSR partners for all their efforts in making this incredible work possible that has accelerated innovation and enhanced patient care with good progress.

We kindly request all our donors, supporters and well-wishers to continue supporting us with your generosity and encouragement further helping us to reach our goals for human welfare.

- Your donation is entitled for exemption under section 80G of Income tax.
- Donors can remit directly through credit card.
- Kindly send your postal address and telephone number along with cheque or draft, mentioning patient's name and Pan No. on the reverse of the cheques.

For online donation please visit our website www.cancerarfoundation.org

**We appeal to you to send your donation,
by Cheque / D.D. in the name of
"CANCER AID & RESEARCH FOUNDATION"**
